

Heatmap visualization showing the correlation matrix of economic sectors. The sectors are listed on the x-axis: Agro, Ind.Extr, Ind.Tran, SIUP, Cons, Com, Transp, Info, Finan, Imob, Otrs.Serv, and Adm. The color scale ranges from white (low correlation) to black (high correlation). The diagonal is black, indicating a correlation of 1.0. The upper triangle is white, indicating zero correlation. The lower triangle shows varying shades of gray, representing different correlation levels.
